## Entrance Door Canopy Range

Simply the safest, most stylish canopies to install.

# Engineered with the builder in mind

Every Stormking GRP Entrance Canopy have been designed to be easy and quick to install. Our in-house Technical Team has engineered our entrance canopy range with the builder in mind, as they are manufactured with modern lightweight materials and virtually maintenance free. All Stormking's Entrance Canopies are made to order, using modern manufacturing methods, to meet the customers specification.

## Why Stormking?

- Entrance Canopy ranges meet National House Building Council (NHBC) Technical Standards.
- All products are supported and maintained by our in-house design and technical teams.
- All Entrance Canopy products are manufactured off-site, saving you time onsite.
- Free site delivery.\*

All Stormking Entrance Canopy products have been designed to be easily and quickly installed, compared to traditionally built and installed entrance canopies. Stormking Entrance Canopies have been designed for stable onsite handling and ease of installation, reducing the need for independent scaffolding requirements. As all Stormking Entrance Canopies are manufactured off-site they benefit from a high level of quality and consistency, ensuring every canopy is as easy to install as the first one.

**All Stormking Entrance Canopies are manufactured off-site and made-to-order, delivered when you need it, ensuring no materials are wasted, saving you time onsite.**

## Entrance Door Canopies Performance Features

# Performance features

Stormking's range of Entrance Door Canopies provide the builder an all-in-one solution that cuts costs without compromising quality. Specialist engineering goes into each Entrance Door Canopies' inner structural support, so you can rely on a safe and sound product that still boasts a refined profile. ## Entrance Door Canopies

# Stormking offers GRP design freedom

GRP provides the freedom to design the products you want, knowing that all products are made-to-manufacture and constructed in the UK to your specifications.

Stormking's in-house Design Team can assist with your project, to allow you to create the building component you need. Our friendly team are on hand to support you with specifying the best product for your development, including helping you to colour match your GRP canopy tiles to your roof tiles.

Select from our GRP Apex, Curved, Flat, Lean-to, or ready-to-tile options with the confidence knowing that all our Entrance Door Canopies have been manufactured to your specification.

Looking for a larger canopy?

Extra-large canopies are available with all the unrivalled benefits of our standard-sized models. For commercial or domestic application, you can specify canopies up to 3-meters long, with a 1-meter projection. Please contact [sales@stormking.co.uk](mailto:sales@stormking.co.uk) to discuss your enquiry in more detail.

**Please contact [sales@stormking.co.uk](mailto:sales@stormking.co.uk) for more information on how we can assist you.**
