SmartStack

Simply the easiest and quickest chimney to install.

Engineered with the builder in mind

Why Stormking?

- SmartStack products are BBA certified and independently assessed to UKAS standards.
- All products are supported and maintained by our in-house Design and Technical Teams.
- All SmartStacks are manufactured off-site, saving you time onsite.
- Free Site Delivery*

Every Stormking SmartStack GRP reproduction chimney has been designed to be easy and quick to install. Our in-house Technical Team has engineered our SmartStack GRP reproduction chimneys with the builder in mind, as they are manufactured with modern lightweight materials and virtually maintenance free. All Stormking's SmartStack products are made to order, using modern manufacturing methods, to meet the customers specification.

All Stormking SmartStack products have been designed to be easily and quickly installed, compared to traditionally built and installed chimneys.

SmartStack - GRP Reproduction Chimney

Performance features

Stormking's range of SmartStack's provide the builder an all-in-one solution that cuts costs without compromising quality. Specialist engineering goes into each SmartStack inner structural support, so you can rely on a safe and sound product that still boasts a refined profile.

Choose from a large range of styles – GRP Brick Effect, GRP Render Effect, GRP Stone Effect, Brick-Slip or Stone-Slip, chimney dimensions, chimney roof location, roof pitches and brick/stone colours.

BBA certified and independently assessed to UKAS standards.

All lead aprons and flashings are incorporated into Stormking SmartStack reproduction chimneys.

Includes concealed lifting eye for ease of craning into position.

Lightweight, no additional loading to roof structure.

Excellent drainage via concealed channel.

Anti-condensation, positive ventilation.

Ideal high strength to weight requirements.

GRP is virtually maintenance free, for full lifetime cost savings.

SmartStack meets NHBC Technical Standards.

Stormking offers GRP design freedom

GRP provides the freedom to design the products you want, knowing that all products are made-to-manufacture and constructed in the UK to your specifications.

Stormking's in-house Design Team can assist with your project, to allow you to create the building component you need. Our friendly team are on hand to support you on specifying the best product for your development.

Select from Mid-Ridge, Rafter Slope and Gable End (Brick or Stone-Slip), with the confidence that all our SmartStack chimneys are colour & brick matched to national brick/stone suppliers' colours.

Specify 1, 2, 4 or multiple chimney pots to match your street scene or adhere to planning requirements.

Standard colour options:

'Buff' / Yellow

Red

Burnt Red

Extended brick/stone colour choices are available by using our in-house colour brick/stone matching service.

SmartStack - GRP Reproduction Chimney

We are Stormking

Stormking is the leading brand of GRP building components to the house building and construction industry in the UK.

Stormking was founded in 1985 and has worked hard to become and maintain being the market leader through its range of market leading products, all manufactured off-site, to save you time on-site!

Customers can have extra confidence when placing an order with Stormking, being part of Epwin Group PLC, one of the UKs largest manufacturers of extruded building products.

Specifying Stormking products is made easier with the support of our in-house Design and Technical Teams, who can assist with any design related questions or queries. GRP is a modern manufacturing process, supported by state-of-the-art manufacturing and design technologies, providing design freedom to clients and customers.

Stormking incorporates over 500,000 sq ft of modern manufacturing methods, spread over 5 sites, which allows for large-scale manufacturing capacities.

Stormking holds several industry recognised accreditations. As the only GRP manufacturer to hold BBA certificates across its product portfolio, every product line is audited annually, ensuring our customers can be confident of receiving a quality product, every time.
